SUMMARY

**Overall Condition:** FAIR  
**Overall Comments:** Machines overall appearance is fair as the cab is pretty beat up including a sizeable dent on entry side. The undercarriage is original and will need changing eventually with exception of front drives one both side, they're fairly new. The machines boom is tight relatively speaking. I feel due to overall appearance this machine might be a hard sale.  
**Evaluator's Name:** Joseph Russo  
**Operated Machine:** Yes  
**Hours:** 2,226
